_____ All items are accepted at the discretion of RDR personnel based on brand name, condition, season, and general salability.

_____ This contract is valid for 60 days from the date items are tagged and renews each time items are brought in *for the new items only*. After 60 days all items are automatically removed from the consignor's account and become RDR merchandise to be sold, donated, or saved for next season.

_____ All prices are set and can be discounted at will by RDR personnel. Fifty percent of the sale of items for the sixty days of the contract will go into the consignor's account. If funds are not picked up within one year of any activity on account, monies are considered forfeited and the account will be removed.

_____ Any item can be donated or disposed of at any time if it is determined by RDR personnel to be unsellable. RDR is not responsible for any items that are damaged, destroyed, lost, or stolen while at RDR.

_____ **NOTE! We no longer allow items to be picked up at a later time.** Any items you wish to retain must be taken with you at the conclusion of your appointment, including totes, bags, baskets, rejected items, etc.

_____ **NOTE! We no longer allow items to be picked up at the conclusion of your 60-day contract.** If this is not acceptable to you, we must respectfully refuse to consign your items, as our workers need to focus on customers and processing new items, NOT pick-ups. (Exceptions will be made for items priced at \$39.95 or higher if requested and picked up at the conclusion of the 60-day contract.)
